The Honourable Patty Hajdu, Minister of Indigenous Services and Minister responsible for FedNor

On behalf of the Government of Canada and everyone at FedNor, welcome to the Northern Ontario Mining Showcase and all attendees of the Prospectors and Developers Association of Canada (PDAC) 2023 convention!

The Northern Ontario Mining Showcase (NOMS) has grown quickly over the past eight years and is now the largest pavilion at the convention, and for good reason. Since 2015, participants have reported the pavilion has helped generate nearly 900 jobs, and last year alone helped create \$29 million in sales. NOMS at PDAC is clearly a great way to create new opportunities, foster new relationships and share with the industry the incredible services and products from Northern Ontario.

I have every expectation that this year will be equally prosperous and productive with over 110 exhibitors at the FedNor-funded pavilion.

Each year, many people contribute to ensuring the pavilion is a success and exhibitors have the best experiences and outcomes. Thank you and congratulations to the City of Temiskaming Shores for your hard work in leading this showcase.

Wishing you all a productive and enjoyable convention.

Sincerely,
The Honourable Patty Hajdu,
Minister of Indigenous Services, and
Minister responsible for FedNor

MESSAGE FROM YOUR HOST

To all companies, business owners, executives, dignitaries, and other special guests from around the world, we welcome you to the 2023 Northern Ontario Mining Showcase!

This event is led by the City of Temiskaming Shores and generously supported by FedNor to recognize the unique potential that PDAC affords for the promotion of Northern Ontario and its businesses to the world. The Northern Ontario Mining Showcase provides a unique opportunity to showcase the knowledge, capacity, and innovative approaches that mining supply and service companies from our region can offer.

Be sure to take the opportunity to chat, cultivate relationships, and generate business opportunities and leads with the 112 participating exhibitors. We also encourage you to learn more about our region and how its central location provides access to mining supply and service companies, directly supporting mines across Northeastern Ontario and Northwestern Quebec.

Join us and learn first-hand why Northern Ontario is deemed to be a centre of mining excellence!

The 2023 Northern Ontario Mining Showcase

Mayor Jeff Laferriere
