

**NORTHERN ONTARIO
MINING SHOWCASE**

SALON MINIER AT PDAC
DU NORD DE L'ONTARIO

EXHIBITOR DIRECTORY 2026

PROUDLY SUPPORTED BY:

Federal Economic Development
Agency for Northern Ontario

Agence fédérale de développement
économique pour le Nord de l'Ontario

Canada

On behalf of the Government of Canada and the team from the Federal Economic Development Agency for Northern Ontario, it is my pleasure to welcome you to the 2026 Prospectors and Developers Association of Canada (PDAC) convention, and to the Northern Ontario Mining Showcase (NOMS).

The world is rapidly changing, and we must meet this moment by building an economy that moves from reliance to resilience in the face of global shocks. NOMS serves as a powerful space that celebrates Northern Ontario's homegrown expertise, unlocks new business opportunities, and delivers meaningful economic benefits for thousands of middle-class families and workers across Northern Ontario.

As the largest pavilion at PDAC, NOMS fuels economic growth, putting the international spotlight on Northern Ontario's innovative products, services, and investment opportunities. This year's showcase features more than 110 exhibitors, a testament to the strength and potential our region has to offer.

Since its launch in 2015, the FedNor-funded pavilion has nearly tripled in size and has helped participating businesses create more than 900 jobs and generate over \$100 million in increased sales and exports. This success aligns with the Government of Canada's broader commitment to mobilize over one trillion dollars in investment over the next five years, as outlined in Budget 2025.

I would also like to recognize the City of Temiskaming Shores for its leadership and dedication in helping make this initiative such a continued success.

To all participating: thank you for your contributions to Canada's economic future. Together, we are building a stronger, more resilient Northern Ontario, and a stronger Canada.

Sincerely,
The Honourable Patty Hajdu,
Minister of Jobs and Families and Minister responsible for FedNor

MESSAGE FROM YOUR HOST

To all companies, business owners, executives, dignitaries, and other special guests from around the world, we welcome you to the 2026 Northern Ontario Mining Showcase!

This event is led by the City of Temiskaming Shores and generously supported by FedNor to recognize the unique potential that PDAC affords for the promotion of Northern Ontario and its businesses to the world. The Northern Ontario Mining Showcase provides a unique opportunity to showcase the knowledge, capacity, and innovative approaches that mining supply and service companies from our region can offer.

Be sure to take the opportunity to chat, cultivate relationships, and generate business opportunities and leads with the 112 participating exhibitors. We also encourage you to learn more about our region and how its central location provides access to mining supply and service companies, directly supporting mines across Northeastern Ontario and Northwestern Quebec.

Join us and learn first-hand why Northern Ontario is deemed to be a centre of mining excellence!

The 2026 Northern Ontario Mining Showcase

Mayor Jeff Laferriere
City of Temiskaming Shores

KEEPERS OF THE CIRCLE **57**

TEMISKAMING SHORES • Keepersofthecircle.com

Keepers of the Circle operate from two primary locations situated in the historical Robinson-Huron Treaty territory, Temiskaming Shores and Kirkland Lake. We offer onsite and on-the-land programs and services that follow a continuum along the lifecycle. One of our key initiatives includes the delivery of the Aboriginal Women in Mining (AWIM) program which was created for Indigenous women to secure employment in mining and other non-traditional jobs. It is designed to support industry and community partners in generating employment and retention practices that support the equal participation of Indigenous women in economic development and employment opportunities.
